

Gators Have a Heart for Haiti

As we are all aware of disaster that has struck Haiti, we as a Gatewood family would love to give back. Gatewood has chosen to give donations to World Vision. World Vision has been focusing on children since 1950. World Vision is a Christian humanitarian charity organization dedicated to working with children, families, and their communities worldwide to reach their full potential by tackling the causes of poverty and injustice. Your gift will help World Vision staff members rush emergency assistance to Haitians -- like food, clean water, blankets, tents, and more. More information can be found at: www.worldvision.org

During the month of February, we are going to have dress down days every Wednesday. It is \$3.00 for grades K3 through 12th to dress down per day. If possible, we encourage every faculty member and student to participate. If you would like to pay by check please make all checks payable to World Vision. Gatewood will send all donations in together.

If you are unable to make a monetary donation, we will be partnering with First Presbyterian Day School in Macon to provide needed items to be dispensed at St. Marc's church in Trouin, Haiti. FPD has been sponsoring this church for the last three years. Trouin, Haiti is located due west of Port-au-Prince and was also affected by this tragedy. More information will be given when available.

Please to keep Haiti in your thoughts and prayers in the coming weeks as relief efforts continue to reach them. We will keep you updated on our efforts in the coming weeks.
