- 2) Read lots of good books this summer to keep building your brain power! *GO Gators!*
- 3) **REVIEW** your parts of speech! This is **IMPORTANT** for your success in language activities in fifth grade! Look for games and activities with parts of speech online.
- 4) **REVIEW** your multiplication facts 0 - 12! This is **MANDATORY** for your success in math in fifth grade. Look for ways to practice online.
- 5) Extra Summer Strength math and language work is provided on the school website. Be sure to print this work and have your Gator avoid the dreadful "summer slide!"

P.S. The summer language work is labeled for 4th grade because it is a review of fourth grade skills to prepare for 5th grade.
