

# Rising 3<sup>rd</sup> Graders

## Summer Strength Activities

### Gatewood School

### 2023

- 1) Required summer reading: *Third Grade Angels* by Jerry Spinelli. Be prepared to take an AR test on this book during the first or second week of school in August, 2023. For further study with our novel, look for activities for this book online.
- 2) Read lots of good books this summer to keep building your brain power! *GO Gators!*
- 3) Practice your parts of speech (nouns, verbs, and adjectives)! This is **IMPORTANT** for your success in language activities in third grade! Look for games and activities with parts of speech online.
- 4) **KNOW** your addition and subtraction facts 0 - 18! This is **MANDATORY** for your success in math in third grade. Look for ways to practice online.
- 5) Extra Summer Strength math and language work is provided on the school website. Be sure to print this work and have your Gator avoid the dreadful "summer slide!"
- 6) Work in IXL for language and math activities! **The login information was sent home with the hard copy of this letter.**

P.S. The summer language work is labeled for 2<sup>nd</sup> grade because it is a review of 2<sup>nd</sup> grade skills to prepare for 3<sup>rd</sup> grade.
